

Instructions:

Touch picture and say name of item.

Say, "I see a lady. What do you see?"

Child chooses any item and says, "I see a _____."

Put a plus in the corner of the picture he has chosen. Continue until all pictures have been chosen by child for that session.

Alternate idea:

Put a Cheerio, Fruit Loop, or other snack on picture, and when child picks it up, he says, "I see a _____." (and eats the snack! or save them in a pile until activity is completed.)
